Dear Staff of Darras Law:

I would like to take this opportunity to thank you for your professionalism and prompt way of handling my case. I have found it very hard these days to find a law firm that cares as much about its clients as you have shown me. I will definitely recommend your services to anyone who has legal insurance needs in the future, including myself. Your services have far exceeded my expectations in every way.

Again, thank you very much for all you have done for me.

Sincerely, Chip

QUESTION: How do I file for a disability claim?

ANSWER: If you bought the policy from an agent or broker contact them. They can alert the carrier to send you claim forms or contact the carrier directly to get the package of forms. Beware, these forms are tricky, confusing, and ask claim ending-questions that could derail your claim. Contact DarrasLaw for free policy help.
